Dear Dr. Zander,
I apologize for not answering previously. Mr. Barak is still on the road and his return to Israel was not definite.
I hope it is now.
Mr. Barak can meet you on Sunday, November 30 at 11:00 AM.
Should this time be convenient to you, I shall convey you with the address.
best regards,
Nili Priell Barak

best for Mr. Barak. Then we could interview him personally. Are you agree with that? Could you tell me please when it would be best for us to come to Israel? We want to stay for three or four days (perhaps from monday until thursday). General Wegener would like to meet other friends in Israel, too. Could you make that possible? Mr. Wegener also ask you if you can tell us the best place to stay in Israel during our visit.

Thank you very much for your efforts and best regards. I´m looking forward to come to Israel, again.

Yours Ulrike Zander

Dear Dr. Zander,
As Mr. Barak is already abroad and travels a lot from one place to another with different time zones, he prefers to delay it for 3 weeks when he will return to Israel as from Nov. 24. Is it feasible?
best

Dear Dr. Ulrike,

Mr. Barak will gladly be interviewed by phone or skype for the Biography of General Wegener.
As he is traveling a lot, we can try to coordinate a time for a telco of some 20 - 30 minutes, during which he will answer some questions/
Can you send me 2-3 options to schedule it to all the participants convenience.
Mr. Barak is going to day to NY and then to South America.
regards,
Nili Priell Barak

Our plan is to have the General tell us his life in interviews and we will write the context to it. Furthermore, we would like to interview all the people with whom he was in contact during his life. Therefore we kindly ask your husband as a friend of General Wegener if he could answer our questions which we are sending with this e-mail. We would appreciate it very much if he accepted. If he doesn´t like one of these questions he certainly can leave it out.
